# FULL-SERVICE FAQ

## What is full-service catering?
You will give everyone in your group a meal ticket. At your serve time, everyone meets at your reserved pavilion and redeems their ticket. The meal is served cafeteria style, everyone gets one serving of everything, one time through the line. We take care of set-up, clean up, and provide all paper products.

## Can I add to my Knoebels Kitchen Special?
Yes! Additions are welcome. Substitutions are not.

## Are kids the same price?
Children age 2 and under EAT FREE and do not need a meal ticket. Any guest over 2 is required to have a meal ticket.

## How long is my serve time?
Your service will be 45 minutes (30 minutes for groups under 100).

## How long do we have the pavilion?
All day. Space is reserved by table, so it's likely that other groups will have tables in the pavilion as well.

## How am I billed?
A non-refundable deposit is due at time of booking. You will be billed for the final count of meals you order, or more if applicable. An invoice will be generated the week after your picnic, and you will have 30 days once received.

## What if it rains?
All of our events are rain or shine.

## Do you have vegetarian options?
Absolutely. We will need to know the number of vegetarian meals when final counts are due. We offer the following vegetarian options: Veggie Burgers (will replace Hamburgers, Pulled Pork & BBQ options), Veggie Nuggets (will replace Chicken Nuggets, BBQ Chicken), Carrot Dogs (will replace Hot Dogs & Hot Sausage Options).

## When is my final count due?
Two weeks before your event. The exact date final counts are due will be communicated when you book your event.

## What if I need to change my final count?
A $500 Change Order Fee is applied to Full Service Caterings if meal counts are altered after final count is received. A $1000 Change Order Fee is applied for meal count alterations over 100.
