FROM THE CLUBHOUSE

BY KNOEBELS THREE PONDS STAFF

Where has the year gone? It's already November! The holiday season is almost upon us and we "fall back" this Sunday. **Golf Course & Restaurant hours are changing** as daylight fades and the days shorten. You will notice some off-season work, changes and improvements occurring on and around the course - see page 2 for full details of 2024 plans. Also, check out our **ALL NEW CARTS!** Photos are on page 2 as well. For current members, we are having a membership **RENEWAL** special beginning Black Friday! See page 4 for full details or ask in the Golf Shop! Happy Thanksgiving!

IMPORTANT ANNOUNCEMENT

During the 2023 summer golf season we encountered multiple turf issues. Some of these issues were a result of weather, while some were an oversight on our part. To better address our valued members, we would like to detail steps we are taking to both improve the course and also improve the membership experience at KTP. Here are some initial steps we have taken:

- Greens were aerated, top dressed and seeded.
- Green #4 was closed for more extensive repair.
- Fairways & tee boxes have been aerated and seeded.
- Pesticide and fertilizer were applied.
- The 2nd phase of cart path work is underway.
- The new fleet of golf carts has arrived.

We have additional plans in place for 2024: a new Toro aerator is on order, enhancements to the 2024 pesticide program have been established, the need to address the sand bunkers is noted and signage to accommodate changes in cart path travel, OB stakes, and hazards are also on the 2024 agenda.

KTP highly values each of our members. We greatly appreciate your loyalty, feedback, and patronage. Our goal is to provide better and increased communication to our membership moving forward pertaining to course conditions, improvements, tournaments and events. In 2024 we are actively planning additional tournaments, activities and events specifically for our members and their families. If have any suggestions of specific golf events or golf event types you would like to see at KTP, please do not hesitate to reach out and suggest them.
