Second Annual DR. EDWARD V. TWIGGAR II MEMORIAL GOLF OUTING

MAY 2nd, 2020

Scouting in America is an institution that dates back over 100 years. No other organization brings together such a wide variety of youth under one roof as the Boy Scouts of America. Instilling qualities of leadership, personal responsibility, practical life skills, and a sense of adventure, Scouting has the ability to mold today's youth into tomorrow's leaders.

On behalf of St. John's UCC Troop 254 of Shamokin, I invite you to join us in the 2nd Annual Dr. Edward V Twigg II Memorial Golf Outing at Knoebel's Three Ponds Golf Course, Saturday May 2nd, 2020.

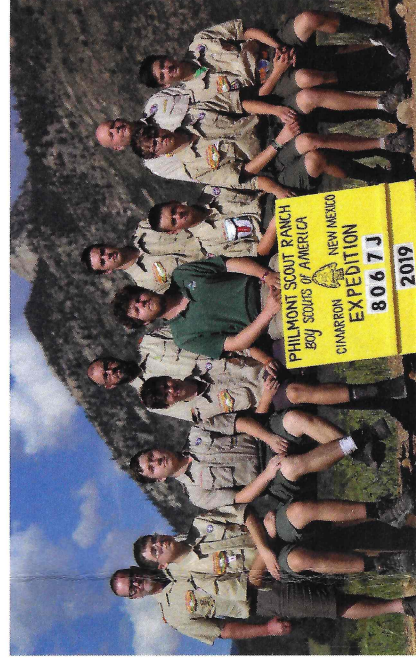

Dr. Twigg was an integral part of our local community, and a life-long participant and supporter of Scouting. Outside of his family, Scouting was perhaps his greatest love. We dedicate this tournament to his memory. His impact on Scouting in our area is felt to this day.

As the Scoutmaster of Troop 254, I hope to carry on his beloved Scouting tradition and foster the development of our community's youth. Fundraising and financial support from our Scouting families enable us to maintain our Troop and its local activities. However, large expenditures such as visits to Scouting's High Adventure camps are extremely hard to accomplish without community support.

High Adventure bases, such as Philmont Scout Ranch in New Mexico and The Summit Bechtel Reserve in West Virginia, are among some of the most respected and admired youth camps in the world. There, Scouts are fully immersed in the Scouting ethos, which can lead to a truly transformative experience.

Please consider sponsoring or participating in our golf tournament. It can make a world of difference to our Scouts!

Yours in Scouting,
Jason Kramer, Scoutmaster Troop 254
