NEW MERCHANDISE in the GOLF SHOP!!!

Have you checked out our **LOCAL** line of golf apparel yet?! Moonshine Golf Apparel is from Winfield, PA! Grab a men's or ladies' polo before they're gone!

**Greens Aeration
will occur on
August 16 & 17**

Friendly reminder from the Golf Shop staff: Please replace your divots! In replacing a divot, please replace so the grass can send down new roots. Replace the turf in the same direction it came out, and tamp down firmly so the mower won't pull it back out.

Course Etiquette — It's Everyone's Responsibility

**DID
YOU
KNOW?**

Put your best putt forward!

Did you know, one of the most common mistakes golfers of all levels make is moving while they putt or directly after they hit the ball?

Think "follow-through and hold". Putting movement should come from the shoulders with the rest of your body still. After hitting the ball, follow through with your putt and hold your position at the end. When you do this, you can check your alignment. If the face of your club is pointing towards your target, you know you are good. If not, revisit your aim and stroke.

Happy putting!
