Course Etiquette — It's Everyone's Responsibility

**DID
YOU
KNOW?**

1. **Practice putting with one ball!**
2. **Take a realistic view towards practicing your putts during warm-up.**

Prepare your mind. By using only one ball during warm-up, you keep yourself accountable for every practice putt you make. It is the same when you play on the course. Every putt is also considered a stroke in a normal match, so why not practice the same way! Use this tip to hone your putting skills!

Happy practicing and putting!
